Design for Food and Futures

Yunwen Tu (Tutu) | Food and Experience Designer
ACM-FCA “Future of Computing and Food” Satellite Event @ AVI8
May 31st, 2018
Hello!

This is Tutu! I am a food & experience designer.
Design to Food Design

People

Object (Food)

Context (Culture)

Technology
Food Conversations in...

CHINA

USA
Food Education

Illustrations and poems in Chinese textbook
Food system now

Research and map the problems in the current industrial food system for my design project.
I am mainly focused on

Food Education
Alternative Food Futures
Design to Food Design
1. How might we imagine our food beyond the current industrial production methods? Will it cause other problems?
Protein Fantasy, Feb-May 2017. Design/Photo: Yunwen Tu
Spread paste

Strawberry

Ginger Lemon

Peanut

Past Futures Pop-up Dinner @ Don Bugito & O2AA, Feb 2018. Design: Yunwen Tu, Raquel Kalil.
2.

To shape the future of food culture, how might we engage the public, especially the younger generations, to learn about/with food?
